Subject: Proposed Youth Curfew Legislation

Dear Kathy:

Thank you for your email concerning the proposed youth curfew.

I appreciate all the good work from the Silver Spring Citizens Advisory Board on this issue. We all want Silver Spring to be as good and as safe as it can be. I believe the curfew, together with our comprehensive approach to increased police staffing and Positive Youth Development programs, can advance us in this regard.

Again, many thanks for your valuable work.

Sincerely,

Ike Leggett
